

# ADERINSOLA AKINTILO

## INTERACTION DESIGNER

aderinsola.com  
aderinsola419@gmail.com  
(240) 821 3135

## EXPERIENCE

### Ziba Design | Interaction Designer

Clients: Palo Alto Health Sciences, Daimler Trucks North America, FedEx, and PepsiCo.  
Nov 2014 - Present | Portland, OR, USA

Crafted compelling web, mobile, and brand experiences.  
Built workflows, prototypes, mockups, and interaction patterns.  
Lead, collaborated, and scoped design research processes.

### NASA MHCI Capstone | Technical Lead

Jan - Aug 2014 | Pittsburgh, PA, USA

Created a tool tracking collaboration app based on user insights.  
Conducted in-depth research in numerous domains.  
User tested our prototypes from low to high fidelity.

### GASP | Interaction Designer

Mar - May 2014 | Pittsburgh, PA, USA

Built an interactive air quality apparatus.  
Collaborated with members of GASP to visualize air quality data.  
Designed the data capturing technique with an arduino.

### Clickbrands | Front End Designer

May - Oct 2013 | Monroeville, PA, USA

Collaborated and organized the apartment rental system model.  
Developed visual assets, interactive mockups, and wireframes.  
Assisted in the data migration and administration.

## EDUCATION

### Carnegie Mellon University

MS in Human Computer Interaction - Aug 2014  
BS in Information Systems - Aug 2013

## SERVICES

Wireframing  
HTML/CSS  
Javascript
